

United Solutions Quarterly Webinar Sponsor Opportunities

United Solutions Company has begun offering quarterly webinars to its client base! The Quarterly Webinars are an opportunity for our credit unions to have additional training, hear about industry insights, learn about service updates and more! These webinars are at no additional cost to our client base. In an effort to support all our vendors, we wanted to extend the invitation to participant. With three different levels of participation, all our vendors have the opportunity to reach our client base.

United Solutions has over 96 clients in 31 states across the United States. We host the webinars at 2:00pm EST to allow all time zones the opportunity to participate. Please reach out to **USC-Marketing@UnitedSolutions.coop** to learn more.
