

Learning Management System

OUR SERVICES.

From onboarding to continued learning, USC's LMS has classes for all levels of employees. Help your staff succeed by offering them classes not only in customer and compliance training, but also core data processing, onboarding and much more. USC's LMS can come with DataSafe or XP2 training videos, Microsoft Videos, and Soft Skills Videos. Credit unions are encouraged to upload their own content and make the portal their own!

United **Solutions**

It is important to develop a learning environment at your credit union. New employees want continuing education, existing employees want to know you are investing in their future, and better trained employees provide better service to your members. Our LMS has advantages over other systems and is priced right for credit unions.

United Solutions Training Portal offers Core Data Processing training (XP2 and DataSafe), Soft Skills training, Microsoft Products, Upload & Employee Progress Tracking, gamification and the ability to manage all your own content.
