

# OnCore XP2

## Core Data Processing

### OUR COMPANY

The United Solutions Company (USC) is a Credit Union Service Organization (CUSO) founded in 1983 with its headquarters in Tallahassee, Florida. USC is proud to be the first CUSO in the State of Florida. The mission of USC is to host quality products and services using the best of breed technology, with an emphasis on service and collaboration, to help our customers remain competitive and profitable.

United Solutions provides the OnCore XP2 Core Processing System in a hosted environment. The architecture of OnCore XP2 enables your credit union to operate efficiently and effectively.

### OUR SERVICES

#### MARKETING SERVICES

USC's Marketing Department creates marketing campaigns for all in house Core Processing clients. The campaigns include any graphics a credit union would like to utilize and is branded to the credit union.

#### CU ASSURED - CYBER SECURITY

From SIEM deployment to log management to incident response to filling a skills gap on your security team, CU Assured has you covered. Our Managed Security Services helps credit unions gain visibility, meet compliance, and lower overall IT Security costs.

#### NETWORK SERVICES

Our Managed Network Services (MNS) provide a hosted solution in the United Solutions Data Center around Infrastructure-As-A-Service, System-As-A-Service, or Application-As-A-Service offering a variety of versatile services.

#### ONCORE SUITE

OnCore Suite consists of five different modules for credit unions to improve their operations. Business Intelligence Reports, Forms, Member Relationship Management, chat and **SURGE!**

#### COLLECTIONS SERVICES

USC will assist with making a secure connection to your in-house or online database to guarantee a seamless collection effort on your behalf. Personalized, efficient service that takes the negativity out of collections.

#### SERVICE EXCELLENCE

USC believes in the philosophy of People Helping People. Our staff works tirelessly for our clients with this philosophy in mind. We are an innovative and diverse group of professionals working together to meet our clients' business challenges.
